

## **Correction to Projection for Option 33 in Options Workbook**

Please note that the projected revenue number for Option 33 in the Our Budget, Our Economy Options Workbook has been corrected. This number is also used for the calculations of Options 35, 36 and 37, so these projections have been adjusted as well:

- For Option 33 on page 41: Revenues in 2025 should be \$30 billion
- For Option 35 on page 44: Revenue in 2025 should be \$206 billion
- For Option 36 on page 44: Revenue in 2025 should be \$412 billion
- For Option 37 on page 45: Revenue in 2025 should be \$618 billion

We apologize for this inconvenience.
